

Simple architectonic forms (right), are meticulously crafted in brush-finish stainless and ebonized oak to execute this reception desk design by Robert Spataro of Mancini Duffy.

Our modular mail-sorting system (below), reflects the clean uncluttered look that characterizes the overall design theme at C.E. Unterberg, Towbin.

One of a series of cherry veneer and hardwood credenzas (right) created for C.E. Unterberg, Towbin's executive conference areas.

**Datamation provides a wide range of material and fabrication resources to meet the millwork and operational furniture requirements of interior designers. This project for C.E. Unterberg, Towbin's new Manhattan headquarters includes stainless steel, aluminum, glass, hardwood veneer and plastic laminates, in addition to made-to-measure modular mail center and technology support furniture.**
