

# Modular Healthcare Solutions

---

The Administrative Support Workstation can be configured with a variety of technology support and organizing modules, including technology stack cabinets with drop-through cable management and optional clear doors.

Datamation has been a leader in document organization and management for over 40 years. Our adjustable sorting systems are unmatched for simplicity of use, durability and privacy options. Choose from horizontal or vertical formats based on specific use requirements.

---

## All Datamation Modular Healthcare Solutions feature:

- Architect controlled design and material options
- Sizes to meet specific project requirements
- Precision factory craftsmanship
- Modularity for easy reconfiguration or future add-ons
- 7 year depreciation life vs. 31 years for millwork
- Limited lifetime warranty
- Quick on-site installation
- Availability in a wide range of standard or customer specified colors and finishes

## Administrative Support Station

Datamation's Nurses Station support unit provides unlimited options for organizing medical technology, computers, monitors, printers, charts and other reference materials. Individual modules can be economically sized to meet space and application requirements. And, modular construction allows simple reconfiguring should future equipment support needs change.

Pedestal cabinets with a range of drawer combinations provide additional storage and organizing solutions.
