

Nurse's Station

Modular and reconfigurable for future technology and space requirements. Standard 2', 4' and 6' wide modules can be modified to fit specific spaces.

Patient monitoring equipment stack with adjustable shelves and cable management.

Chart management organizing module. Our unique adjustable shelves feature full width, color coded labeling and are available in horizontal or vertical configurations.

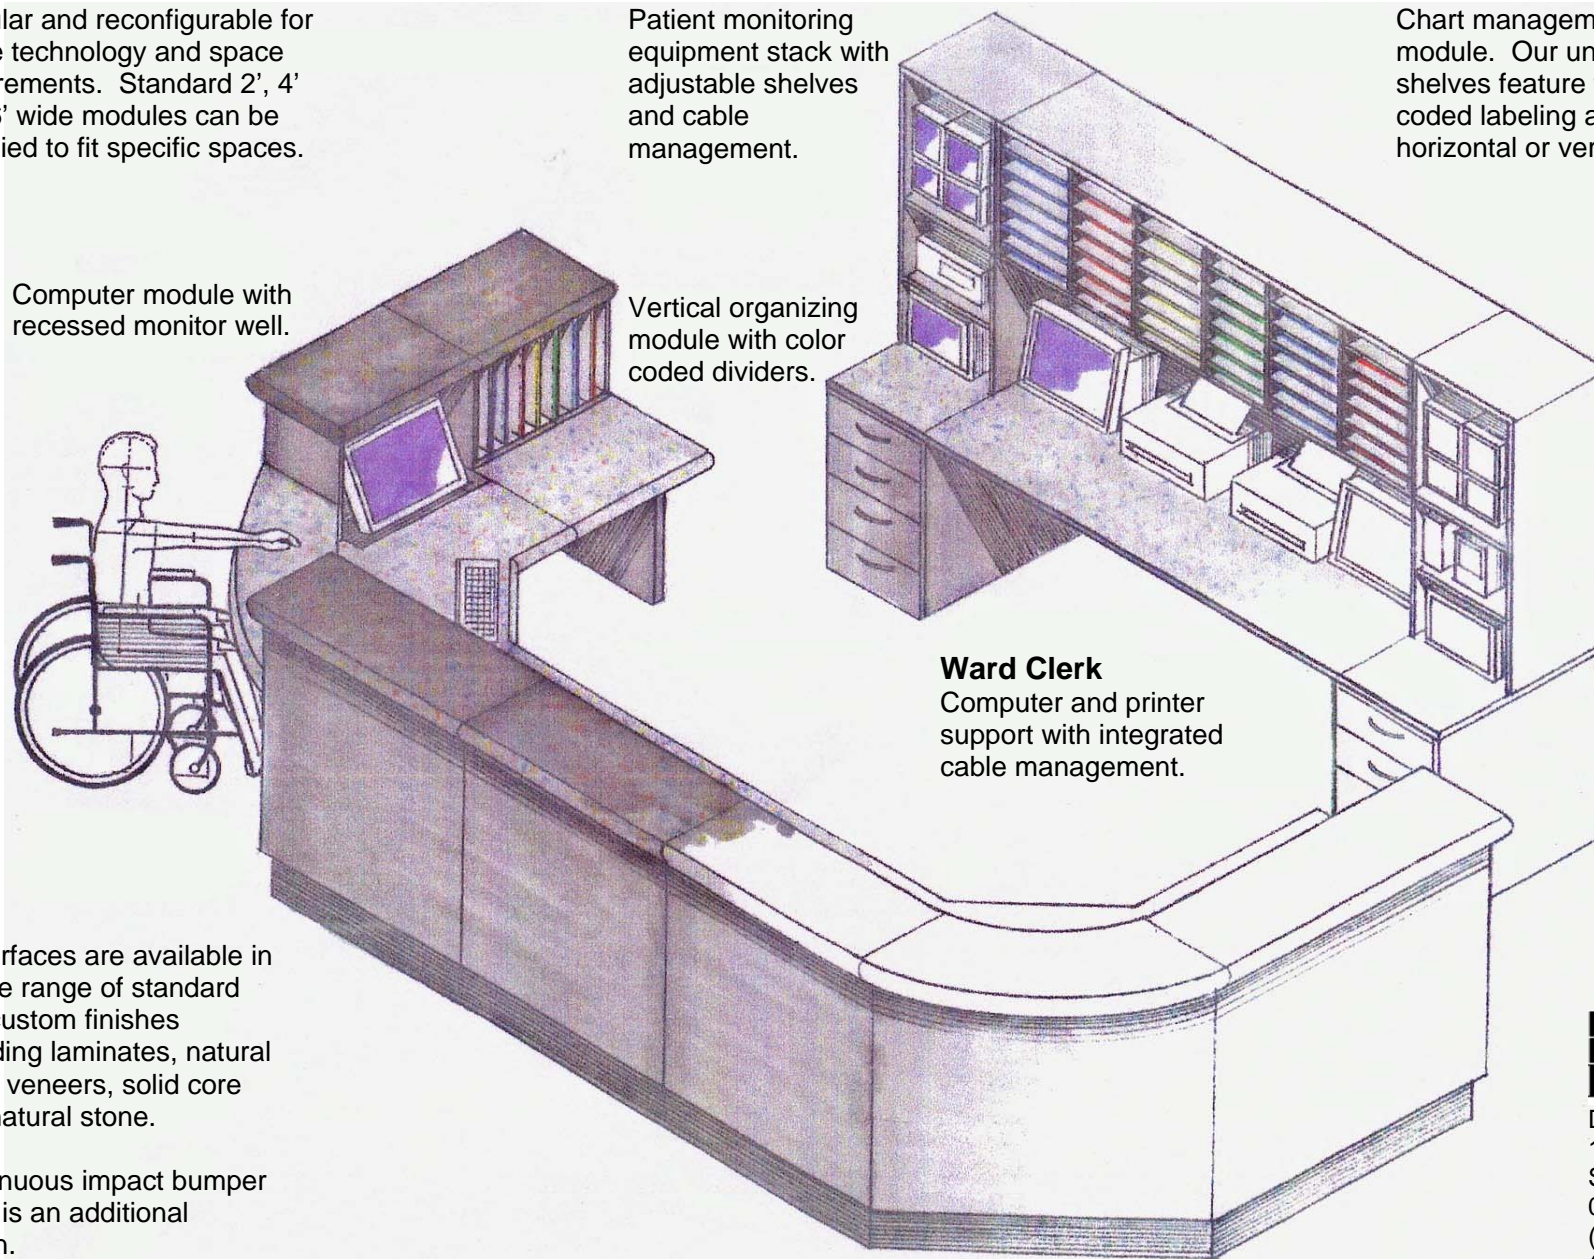

Computer module with recessed monitor well.

Vertical organizing module with color coded dividers.

Ward Clerk
Computer and printer support with integrated cable management.

All surfaces are available in a wide range of standard and custom finishes including laminates, natural wood veneers, solid core and natural stone.

Continuous impact bumper edge is an additional option.
